

Boxberry School Update

September 19, 2018

Greetings---

Hope all is well with all of you! We are gaining momentum as the students are getting more and more acquainted with Cassandra and Deanna and the changes that each new year brings. The kids have been enjoying lots of outside time, rain or shine, whether in the Forest Playground or in the mud on the softball field when we've had enough rain☺

Just a reminder that my Admin Coordinator schedule has me here Tuesday through Thursday. I've been in on Mondays just to help with the start of the school year, but that will only be for a few more weeks. If you need to relay a message to the teachers on a day I'm not here, be sure to call the classroom directly first. You can also text me as an extra measure as well!

Also- we are still in need of old magazines for collage use! Please bring in any you can donate!

Thanks and have a great week!

Deanna, Cassandra, & Seal

LITERACY & MATH:

The Flower Room

Math time continues to focus on 1:1 correspondence, number recognition, and addition & subtraction strategies. Understanding cause & effect and making predictions have been the Literacy concepts Cassandra's been teaching.

The Forest Room

The Forest Room students have been working on varying levels of multiplication, fractions, and real-world application of more advanced concepts. In Literacy they have been receiving individualized grammar instruction and researching and writing about a mini-topic of their choice related to forest ecosystems.

Learning Expedition

Magnificent Mapmakers- Exploring our World!

The Flower Room's classroom maps are almost done so they will soon start their Treasure Hunt activity! They will then move outside to transfer some of their mapmaking skills to our immediate natural environment.

The Forest Room's 3D maps of the forest ecosystem are underway. They are using clay in addition to natural materials to help their maps come to life. They are also finishing up their ecosystem diagrams!

DATES TO REMEMBER:

Friday, September 21st- Goals go home (Via email!)

Monday, October 8: No School- Indigenous People's Day- enjoy the long weekend!
