

The Boxberry School

January 30, 2019

Greetings Boxberry Parents!

Hope you are all getting shoveled out and staying warm as the deep freeze sets in tonight. We are, unfortunately, **cancelling our ski plans for tomorrow** due to the forecasted wind-chills but hope to get back there next week! Please remember to pick up your child(ren) at school on Thursday. ☺

Also, don't forget to contribute monetarily to the Roberts Farm Preserve in the next week or so. You can give me money directly that I can pass along, or write a check to the **Western Foothills Land Trust. Basic membership is \$35**, but any amount would be helpful.

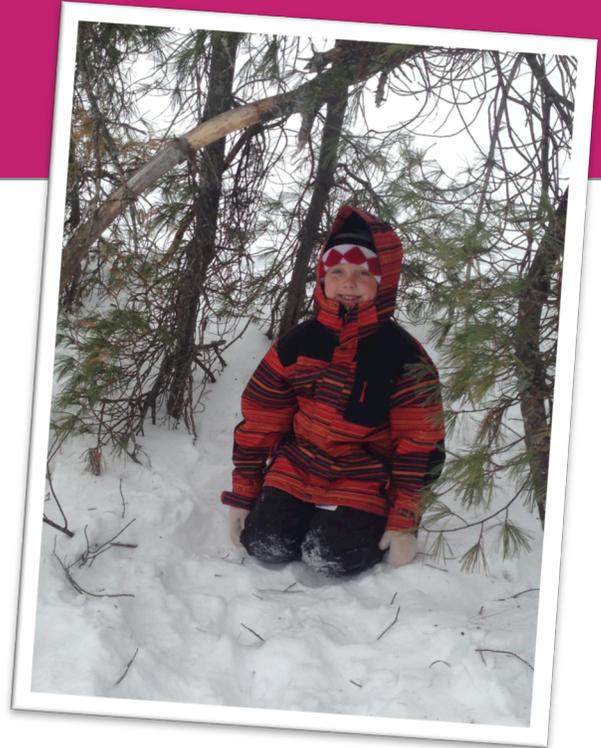

Our Boxberry **Bridgton Hannaford fundraiser ends at the end of this month**- Boxberry is given \$1.00 for every Community Bag sold! Please share with anyone you know who may frequent that store! You can also re-share the Boxberry Facebook post as well!

Enjoy the snow ☺

Flower Room

Math continues to involve a variety of geometry activities. In **Literacy** students are creating their own non-fiction books, being sure to integrate the features of this genre they have learned about.

LEX has kids prepping for interviews of Forest Room members and also getting excited about a field trip to another local school to see how other learning communities are organized.

SEL (Social Emotional Learning)- Flower Room kids continue to fill out the POP chart each morning, identifying and owning their feelings.

Forest Room

For **Literacy** students are still working on opinion pieces and discussing what makes a good argument. No need to thank us! (Hopefully this doesn't backfire!)

Math has our Forest Room kiddos learning about fractals and Fibonacci numbers.

For **LEX** students recently embarked on a driving tour of Harrison, stopping at a variety of historically significant spots with local historian, Gerry Smith.

SEL's focus is on different ways to be present in the moment without being overwhelmed. Sign me up please!
